Proceedings of the Government of His Highness the Maharaja of Mysore.

Order No:- £139-55

Dated, Bangalore, 7.7.23

Representations were made at the last Session of the Representative Assembly that the attention of the District Medical Officers to inoculation for plague, relapsing fever &c., had slackened since the appointment of Chief Sanitary Inspectors. This is one of the important duties of the Officers of the Medical Department and their responsibility for the same is not divested by the appointment of Chief Sanitary Inspectors. The Senior Surgeon is requested to impress this fact upon all Medical Officers and inform them that serious notice will be taken of any remisness on their part in this regard.
